Notes:

1. Each commitment is to be **over and above your weekly tithes** for a period of three years.
2. No one gift is more valuable to God. The gift value is determined by its value and meaning to you. Then, and only then, does it have meaning and value to God.
3. "Equal Sacrifice, Not Equal Gifts." Begin asking the Lord what He wants to do through your commitment that will impact your church for generations to come.
